

Multi-Card Reader/Writer

ExpressCard/34, 12-in-1

Model
100809

Take a digital content management center almost anywhere.

Compatible with 12 card formats, the MANHATTAN® Multi-Card Reader/Writer lets you easily download and transfer digital images across many of today's popular flash memory card formats. It's compatible with Memory Stick, SecureDigital, MultiMedia and XD types without the need for an external power supply or cables for portable use. Compliant with ExpressCard Specification Rev. 1.0a, it easily fits into computers equipped with ExpressCard/34 and /54 slots.

Convenience without the Media Device

Its USB mass-storage functionality easily archives picture, music, video and personal data files without directly connecting the media device to the computer. The MANHATTAN Multi-Card Reader/Writer helps conserve media device battery power by eliminating the need for a direct connection to the PC.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
100809
