

Mini Cam

Model
460378

Keep in touch and in sight on the Web.

The MANHATTAN® Mini Cam helps improve online communications and experiences with high-quality photos and video. With simple, one-button operation and easy-to-use software, its 350k-pixel CMOS lens captures crisp and clear images and smooth, steady video to share with family and friends.

Easy to install and ready to use

The compact size, attractive finish and Plug and Play installation make it a good accessory for desktop and notebook PCs.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
460378
