

SATA 300 ExpressCard/34

Model
515245

Create a computing platform that balances cost, performance and compatibility.

PC ExpressCard-enabled desktop computers can take full advantage of SATA speed and PCI Express efficiency with the MANHATTAN SATA 300 ExpressCard/34. Easily installed, it adds dual external SATA ports to connect data storage and other SATA peripheral devices.

Fast Data Transfer

The MANHATTAN SATA 300 ExpressCard/34 supports data transfer speeds of up to 3.0 Gbps. Using 48-bit LBA, it breaks the size limit of 137 GB hard drives to support larger storage devices. Compliance with PCI Express 1.0a and Serial ATA 1.0 specifications ensures that most PCI ExpressCard-equipped notebook computers and connected SATA devices can operate at peak performance.

Simple Installation

The MANHATTAN SATA 300 ExpressCard/34 fits into ExpressCard/34 slots to enable a quick and easy installation and safe, hot-swappable use.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
515245
