Hi-Speed USB 2.0 PC Card

Model
516167

Quickly add needed speed and convenience.

With the MANHATTAN® Hi-Speed USB 2.0 PC Card, you can add two hot-swappable, external Hi-Speed USB 2.0 ports to a notebook computer for added convenience and data transfer rates of 480 Mbps. A convenient, built-in DC jack supplies power to external USB peripherals. Its Windows and Plug and Play compatibility helps make installation quick and easy.

Lifetime Warranty
Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
