

# External Enclosure

## eSATA, 3.5"

Model  
709040

Quickly and easily transfer, share and archive data or expand storage capacities for desktop and notebook PCs.

### Enjoy the Benefits of True SATA Speed

This 3.5" enclosure is fully SATA-capable and equipped with eSATA I-type ports. Install an idle, unused drive into the MANHATTAN External Enclosure to create new and productive storage solutions. Most standard 3.5" drives fit inside the durable aluminum case with fan that dissipates heat and facilitates cooling.

### Versatile Solution That Easily Transports

The lightweight, compact design easily transports to meet most needs. Its matching stand provides an alternate vertical mount.

### Quick and Easy installation

Windows and Macintosh compatibility with Plug and Play installation make this MANHATTAN External Enclosure simple to use.

### Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all INTELLINET NETWORK SOLUTIONS products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

**Model**  
709040
